

A Guided Experience

Our professional guide, Mr Chris Ponsford, otherwise known as The Pons, is an accomplished angler and is just as happy catching small Gudgeon on the local canal as hauling giant Conger Eels from wrecks in the English Channel from a Charter boat! A day with Chris on our mile long private stretch of the River Teme is not only about showing you the river and what to look for in locating barbel; he will also give you a full insight into the latest methods, baits and rigs to enable you to bank more of this fantastic fish. There's also a mean cup of tea and a joke along the way!

Chris works closely as a consultant with Korum and Sonubaits, helping develop and test new fishing gear and is proud to be associated with Pallatrax and this Stonze system, not to mention his DVD's that he also produces.

He won the Midland Anglers "Specimen Angler of the Year Award" not once, but twice beating top specialists each time on a multi species competition. Chris writes for many of the top angling magazines as a photo journalist.

To join Chris on this fabulous fast flowing river fishing exclusive, a private beat full of hard fighting Barbel, please email your requirements to sales@cobhousefisheries.co.uk.
