

The Barbel fishing season is from the 16th June to the 15th March inclusive.

We offer packages to suit every fisherman as well as private lessons and children's parties. If you have any questions or other requirements, please do not hesitate in calling us.

The Packages

Our Professional Guide will meet you at 8am and be with you until 5pm; you are welcome to continue to fish until dusk. Includes all bait.

Guided Barbel Day **Silver** £210.00 for one person and £310 for two per day

Our Professional Guide will meet you at 8am and be with you all day, culminating in a two course meal and bottle of wine at a local public house close to the Fisheries. Includes all bait.

Guided Barbel Break **Gold** £420.00 for one person and £560 for two

A full two days with our Professional Guide, starting at 8am at the fishery. At the end of the first day, our guide will accompany you to a local bed and breakfast where you can refresh and relax before enjoying a two course meal and bottle of wine at the local public house - all included in the price. Includes all bait.

The next morning, our Professional Guide will meet you at 8am at the accommodation and take you on another day's Barbel fishing.

Prices based on single occupancy for one night. Please advise us if you require more nights or extra rooms.

Please note: Environment Agency rod license required (aged 12 and over) and will be checked prior to fishing.

Whilst we cannot guarantee fish every day, we can guarantee that you will finish the day having learned the correct way to approach Barbel. Remember, if it was easy... it would be called catching and not fishing!
